Club News

The website is up and running. Web: www.triumph-riders-club.org.au The "For Sale" page has a couple of fine machines for sale. Should you wish to sell (not only machines but parts and accessories) follow the email link on the webpage.

The 2010 Tasmania is just a few weeks away and for those fortunate to make this tour, it will surely be the highlight of their motorcycling life. A group BBQ was held last Saturday for distribution of the road books and tour t-shirts. Many thanks go to Frank Pellas and Ian Bell (and their partners Bronny and Deirdre) for the huge input in arranging this tour. Without their efforts this trip certainly wouldn't be happening.

Next Club Ride is Friday Night 12th February

Dinner from 6pm, please contact the Duke of Brunswick Hotel and add your name to our TRC table. Leaving at 730 sharp for an interesting ride to the unknown (via the Adelaide foothills and beyond). Chris Roberts will be leading this ride.

Please ensure you have a FULL tank before starting the ride.

The Pres' bit

Not much from the Pres this month. Obviously he said tooooo much last month. He did mention to me, that he will catch up on the Friday Night Ride.

While the Tasmania Tour is in progress, the normal club events will continue. The traditional monthly Sunday Ride will be on 28th February. Ian Armitage on his trusty Bonnie will lead you astray. Friday 12th March is the night for a fine dinner and night ride. Meet at the Duke of Brunswick 6pm for dinner and leave at 7.30pm for the night ride. We haven't commandeered a volunteer as yet, so if you like to lead this short ride, please contact Frank Pellas (0411 600 255) or Chris Roberts (0422617633).

Merchandise pictures are now on the website, it's a pity about the models, they were all we could find.

We will also include in the newsletter a ride report from the previous month, so you can find out where we went.

From the Webmaster

Being IT geeks, we like the website, but you may find something is missing or difficult to navigate. If you have any suggestions or comments we would like to hear from you.

A couple of new sections coming online soon will be "Member Profile" where a picture of you and your trusty bike (and partner) and will feature a short story about yourself. This way we all can get to know each other. Privacy will be imperative, thus no contact details will appear. Involvement in this section is totally voluntary.

The other idea we are tossing around is a "Member Trip Picture Diary" just to make the other members really jealous of your adventures (these would be non-club trips). Recently I did a trip to the Alpine Region on my Sprint and have so many fantastic shots to show people, not only to rub it in but to inspire that adventurous part of us.

Triumph Riders Club Incorporated South Australia

2010 Events

Road & Race Motorcycles. Unit 16 543 Churchill Rd, Kilburn ph 8349-6039 for all bike clothes, tyres and bike performance parts. Speak to Stuart or Jason.

Ride Reports

Friday January 15th was another hot night in Adelaide, but didn't deter 12 bikes with lots of pillioners on a winding ride lead by Frank. So if my memory is correct, Frank guided us up the freeway to Stirling, Mylor and off along River Rd, onto some of his fancy back roads, around and around and somehow ended up at Mt Barker. Things were going fine in the local bar until the doof doof music began (to the request of 1 drunk local) and ended any chance of verbal discussion. Being unable to go outside due to the footpath police, we decided to part company and head our own way home.

Sunday 24th January (a long weekend for some !!!) A large group met at the usual coffee stop at the cafe' next door and this one being lead by Chris Roberts headed south. Destination Normanville via Mt Lofty, Ironbank, Cherry Gardens, Clarendon then all of us except Andre (who missed the corner) went around the back of Kangarilla to Range Rd, down to the McLaren Vale area, a wee stop in Willunga (who's that, it's Andre, glad you could join us again). Up Willunga Hill to see the graffiti left by the "Tour Down Under" spectators, onto Myponga, Yankallila then off to Parawa for the legendary Delamere Rd, this time going West. Following the Main Road to Normanville for lunch at the Hotel. Congrats to the staff for looking after the 35 of us. The way home went via Sellicks Hill, McLaren Vale region following the Chapel Hill Rd, along the gorge to Clarendon for a cold ale or two. Thanks to the Pres for being tail end Charlie. ☺

Triumph Riders Club Incorporated

South Australia

Ride Event Instructions

Participation in a TRC event is entirely at your own discretion and own risk, and is subject to you holding the appropriate class of drivers licence and your bike is registered and roadworthy.

Although the club carries public liability insurance, this does not cover you or your bike for injury and damage in the event of an accident.

During rides we will use a Ride Leader, Corner Marshals, and a Tail-End Charlie (TEC). While being a corner marshal you should pull to the side off the road where indicated by the Ride Leader and wait with your indicator flashing in the direction to be turned. It is recommended that you also indicate by pointing in the required direction. You should wait in that position until all riders have passed and the TEC comes into view. The TEC will not pass you and will wait until you pull back onto the road and rejoin the ride group.

If you want to “Go your own way” and choose to pass the Ride Leader, or drop behind the TEC then you are no longer deemed to be part of the ride group, and therefore not covered by the club's public liability insurance.

Remember that you are riding in a group of your friends and you should take care that your actions do not unnecessarily create additional risk for your fellow riders. Please also respect the fact that they may have different skills and experience than you do.

From time to time the Ride Leader will stop and allow the group to form-up. The TEC will ride past the group to indicate to the Ride Leader that everyone is there and we will move off again.

Ride safely and enjoy.
